Good Afternoon,

I hope you have weathered the storm, Mr. Allen. Following up to the circumstances outlined below as I have not heard anything further on the matter and the response was not filed yesterday. To the extent you still expect to file a response to the motion to dismiss, I do object as it is untimely.

Should you wish to discuss, feel free to call me.

EMAIL RECEIVED FROM EXTERNAL SOURCE

Good morning,

Ms. Williams was in the process of responding to your MTD yesterday and last night and file the response; however, her internet went down, and she has been unable to get access of yet. Due to that technical issue, she was unable to file it, or send to me. Additionally, we had a severe thunderstorm in the Orlando-Ocoee area where I reside and my internet and power were both out for a while last night

as well, thus, she would not have been able to send to me to file anyway.

She (we) will file the response this morning, or response later today once her internet has been restored. We wanted to give you the professional courtesy of an update. If you have any objections, questions or concerns, please contact her to discuss. Thank you.

Sincerely yours,

Frank T. Allen, Esq.,
